REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Westcliffe Elementary is in the Berea area of Greenville County. We serve students from four year old kindergarten through fifth grade. Our staff is passionate about learning and work hard each day to provide the foundations children need to become life-long learners. This year, we adopted a tagline for our school. Our tagline speaks so much about Westcliffe 's focus as we touch the lives of children. The tagline is: Westcliffe Elementary, Learning today, Leading tomorrow. As we teach our students we are very aware that future leaders of tomorrow are sitting in our classes and we express this to them daily.

It has been an exciting year for Westcliffe. We received several honors such as our fifth(5th) Safe School Award, a Palmetto Gold Award for Student Achievement, and a Palmetto Silver Award for Closing the Gap, obtaining an ESEA/Federal Accountability Rating Grade of A (96.9) and being designated as a Title I Reward School.

Westcliffe is data driven as teachers use formative assessments such as grade level benchmarks, checklists, theme tests, teacher made common assessments in reading and math as well as other forms of assessment to drive instruction and meet the needs of students. This year, we implemented Response to Intervention (Rtl) in 5K and first grade. These two grade levels used the results of Aimsweb (Rtl) assessments to help guide student achievement. Second through fifth grades, used assessments as mentioned above as well as MAP (Measures of Academic Progress) to help guide them with student achievement . Third through fifth grades also use data from PASS (Palmetto Assessments of State Standards. Technology is used by all teachers through out the school to enhance learning in all subject areas.

Throughout the 2012-2013 school year, Title I provided many opportunities for our parents to attend various workshops to help them support their children with reading, math, homework, test skills, and moving on to middle school. First and second grade t grade teachers held Share Fairs with parents to provide strategies and learning games they could play with their children to help them with reading and math.

At Westcliffe, we are committed and dedicated to giving our students our best each and every day. Our school motto, "Westcliffe Wildcats Are Wild About Learning" helps us stay grounded in the fact that learning is going on every minute of the day and all over the school. Students are what we are all about and why we are committed to learning and giving our best to continue in the fact that "Westcliffe Wildcats Cannot Hide That Westcliffe Pride".
